PACSW Gender Justice Award

The President's Advisory Committee on the Status of Women (PACSW) is now accepting nominations for the PACSW Gender Justice Award, recognizing exceptional commitment to the promotion of gender justice at USF, in the larger city, national, or global community. Gender Justice is the active promotion of equal, just, and dignified treatment of individuals regardless of sex, gender, or sexualities, and the remedying of inequalities on these bases.

The award may be granted to USF students, staff, faculty, or alumni who have demonstrated ongoing and creative commitment to the promotion of gender justice. Current members of PACSW are not eligible for the award.

Nominations will be accepted from any member of the USF community: student, staff, faculty or alumni. Applicants may self-nominate. Nominations must be submitted by Thursday, February 23th, 2012.
