1A. Students will demonstrate behavior that supports the physical and emotional well-being of campus community members

2009-2010
For the FY10 fiscal year, the following outcomes will be measured:
Goal 2 = **Students will develop appreciation for cultural diversity**
2A. Students will strive to develop understanding and appreciation of cultural diversity within the campus community

2010-2011
For the FY11 fiscal year, the following outcomes will be measured:
Goal 1 = **Students will develop empathy for others**
1A. Students will demonstrate behavior that supports the physical and emotional well-being of campus community members

II. ASSESSMENT IMPLEMENTOR(S)
The assessment plan will be implemented by Golden Venters, Associate Director of ORL, with ultimate report responsibility maintained by the Director of ORL, Steve Nygaard.

III. PROJECTED USE OF DATA FOR UNIT IMPROVEMENT

- The data are reviewed on an annual basis to implement program-specific modifications
- The data are used to assist in determining changes to allocation of funds for the next fiscal year
- The data are compiled for inclusion in the UL annual report
- The data are included as a critical part of the office program review (on a five year cycle)
