Articulation Agreement

(Based Upon USF and College of Alameda catalogs for 2005-2007)

This Agreement is to be used as a guide for the purposes of Admission into the University of San Francisco as a transfer student. The Office of Admission will award academic transfer credit as appropriate at the time of admission. All students who wish to receive an undergraduate degree from USF must satisfy the coursework included in the Core Curriculum. All transfer students are encouraged to contact the Admissions Office for clarification of the University procedures and policies at (415) 422-6563. A student need not fulfill all these classes before transferring, however these courses must be completed to graduate from USF. A 3-UNIT SEMESTER OR 4-UNIT QUARTER COURSE WILL SATISFY THE INDIVIDUAL CORE AREA REQUIREMENT. THE TOTAL CORE REQUIREMENT OF 44-UNITS MUST BE MET IN ORDER TO GRADUATE FROM USF, WHICH MEANS ADDITIONAL COURSES IN A CORE AREA MAY BE NEEDED TO MEET THE TOTAL UNIT REQUIREMENT.

All credits designated as transferable to the California State Universities (CSU) by the California community college at which the credit was earned will transfer to USF with the exception of remedial math and English. (i.e. No English below College Composition or its equivalent, no math below College Algebra will transfer.) Such designation must be applicable at the time the work was completed.
