KIDS KAMP CONCEPT

Boys and girls can participate in many activities and sports. The philosophy is to allow a young person to participate in many different sports at a comfortable learning level without the pressure of a high intensity, skilled camp. By starting at a young age, the individual camper will be able to develop proper habits for long-term sports interaction and recreational success.

KIDS KAMP X-TRA CONCEPT

Boys and girls can participate in many activities and sports during regular Kids Kamp. However, they can also choose the "X-TRA" which puts a half-day emphasis on swimming. The kids will experience progressive instruction throughout the week allowing them to improve on their experience from the prior day. By starting at a young age, the individual camper will be able to develop proper habits for long-term sports interaction and recreational success.

CAMP FACILITIES

Campers will enjoy the \$25 million Koret Center, Memorial Gymnasium, Benedetti Diamond, Negroesco soccer stadium and Cleary tennis courts. The Koret Center facilities include a swimming pool (with certified lifeguards), racquetball courts, dance and exercise room, volleyball courts, basketball courts, badminton, etc.

ACTIVITIES AVAILABLE

Campers will enjoy a variety of sports and physical education games such as basketball, swimming, tennis, kickball, soccer, softball, dodgeball, and relay games. They will also use their creativity at arts and crafts, movies and parties!
