**JUDICIAL EXTERNSHIP PROGRAM:  
POLICIES, REQUIREMENTS AND PROCEDURES**

**INTRODUCTION**

The Judicial Externship Program offers students in the last three semesters of law school who meet the requirements described herein to receive academic credit for unpaid externships with federal and state courts.<sup>1</sup> Part-time students who maintain part-time status are eligible during their final four part-time semesters. Students must either already have completed Evidence or be concurrently enrolled in Evidence during the semester of the externship. Judicial externs are required to attend the Judicial Externship Orientation, submit evaluations and weekly timesheets, meet with the Director and Assistant Professor periodically, and complete other assignments.

**DEADLINES**

**Students must submit completed applications to the Externship Programs Office for processing and approval by the deadlines listed below and on the cover of this packet.** Adhering to these deadlines will allow enough time for all applications to be reviewed for approval in time for the Law School's registration deadlines.

**Spring 2010 Externships** – Applications due **Friday, December 4, 2009.**

**Summer 2010 Externships** – Applications due **Friday, April 16, 2010.**

**Applications submitted after the deadlines above are not guaranteed approval and are subject to the discretion of the Director and Assistant Professor for the Externship Programs.**

*Students who are unable to submit the application forms by above deadlines, must register for classes as if they do not have the externship, and modify their class schedule during the add-drop period to include the externship units.*

All students who have been approved for externships, *and students whose applications are pending approval*, must attend the Judicial Externship Orientation, which takes place shortly before the semester of the externship. Please see the Registrar's schedule later to confirm date and time information.

---

<sup>1</sup> This program does not prohibit students from volunteering for courts they do not seek academic credit. In this case, students are not subject to the academic requirements described in this packet.

**ACADEMIC UNITS AND REQUIRED FIELDWORK HOURS**

**Units and Hours**

Below are the possible number of units that students may register for and their corresponding fieldwork hours. **Please note that because the summer session is much shorter than the fall/spring semesters, only the 3 and 4 unit options are available.**

Full-Time Externship for Full-Time Students	<b>13 units</b> = 576 hours → 40+ hours/week <i>(not permitted for externships with superior courts; unavailable during summer session)</i>
Full-Time Externship for Part-Time Students	<b>11 units</b> = 480 hours → 35+ hours/week <i>(not permitted for externships with superior courts; unavailable during summer session)</i>
Half-Time Externship	<b>6 units</b> = 288 hours → 20+ hours/week <i>(unavailable during the summer session)</i>
Part-Time Externship	<b>4 units</b> = 192 hours → 13+ hours/week during fall/spring <b>or</b> 30+ hours/week during summer
Part-Time Externship	<b>3 units</b> = 144 hours → 10+ hours a week during fall/spring <b>or</b> 22+ hours/week during summer

Students must start their fieldwork in chambers no later than the beginning of the third week of classes in the semester in which the student is enrolled. **During the fall/spring semester, externships for 3, 4, or 6 units must be completed in not less than thirteen (13) weeks or more than fifteen (15) weeks during the semester in which the student is enrolled. In addition, full-time judicial externs must work a minimum of fourteen (14) weeks.**

*The hours should be spread out relatively evenly over the entire semester.* Front-end loading of hours is not permitted. The hours worked should correspond to the hours required for the externship; e.g., a student may not work full-time but enroll for six (6) or fewer units. Full-time judicial externs need not make up time for court holidays. Part-time judicial externs are required to work the actual number of hours, regardless of court holidays, sick days, etc.

**MANDATORY JUDICIAL EXTERNSHIP ORIENTATION AND WEEKLY TIMESHEETS/EVALUATIONS**

Shortly before the semester begins, judicial externs must attend an Orientation, which is designed to prepare students for the externship ahead. Students who fail to attend will not receive credit for their externship. In addition, externs are expected to complete weekly timesheets and evaluations of their experience, periodically meet with the Director and Assistant Professor for the Externship Programs, and complete other assignments as directed.

**Grading**

Grading for the Judicial Externship is awarded on a Credit (CR)/ Credit-Unsatisfactory (CU)/ No Credit (NC) basis. Externs are required to attend the Orientation and meetings with the Director and Assistant Professor for the Externship Programs, submit evaluations and weekly timesheets, and complete other assignments.

**LAW SCHOOL POLICIES RE NON-CLASSROOM UNITS**

1. **Maximum Number of Non-Classroom Units Allowed Overall:**

To obtain the Juris Doctor degree, students must complete 86 units of course credit. Of those units, 65 must be in-classroom courses. Thus, students may apply up to 21 non-classroom units toward their J.D. degree, which may include, but are not limited to, the In-House Clinics, Civil Law/Criminal Law/Judicial Externship Programs, school-sponsored international internships, Moot Court, Advanced Moot Court, ASP Tutors, Street Law, the *Intellectual Property Law Bulletin*, the *Maritime Law Journal*, and the *USF Law Review*.

2. **Limitation on Types of Non-Classroom Units Allowed in One Semester:**

Although you may take advantage of all of these programs during the course of your law school education, you can take only one in-house clinic, civil/criminal law or judicial externship, or Street Law, in any given semester.

3. **Limit on Total Number of Part-Time Externship Units Allowed:**

A maximum of seven (7) units of part-time civil/criminal law or judicial externship experience (i.e., 3 or 4 unit externships) may apply toward the J.D. degree. Part-time international internships for academic credit sponsored by the Law School count toward this maximum. Half-time (6 units) externships do not count toward this 7-unit maximum.

4. **Concurrent Enrollment in Other Classes for Full-Time Externs:**

Full-time judicial externs who are full-time students may enroll in up to three (3) units in addition to the externship (13 units) for a maximum total of 16 units for the semester, subject to the policies above.

**ELIGIBLE COURTS**

**Full-time externships (13 units for full-time students and 11 units for part-time students)** are permitted only in state federal courts (Ninth Circuit, Northern District, including the Bankruptcy Judges), the California Supreme Court, and the California Courts of Appeal. *Full-time externships are not permitted in California Superior Courts. Please note that during the summer session, only the 3 and 4 unit options are available.*

**Half-time (12 units) and part-time (3, 4 or 6 units) externships** are permitted in state federal courts (Ninth Circuit, Northern District, including the Bankruptcy Judges), the California Supreme Court, the California Courts of Appeal, and California Superior Courts. *Please note that during the summer session, only the 3 and 4 unit options are available.*

Note: Internships with Administrative Law Judges are subject to the Policies, Requirements and Procedures of the Civil/Criminal Law Externship Program, not the Judicial Externship Program.

**Location of Externships**

All externships for credit during the fall/spring semesters **must** be in the San Francisco Bay Area, which includes the counties of San Francisco, Marin, Alameda, Contra Costa, San Mateo and Santa Clara. During the summer session *only*, students may apply to receive credit for externships outside these areas.

## University of San Francisco School of Law

### Students Wishing to Receive Academic Credit for Two Judicial Externships

Assuming that the student and court meet all other criteria and requirements, students may apply to receive academic credit for a second judicial externship as long as 1) they take place in different semesters, and 2) the second externship is with a *different type and level of court*. For example, a student who previously externed at a state superior court for credit could later apply for credit for an externship at a U.S. District or state/federal appellate court. An externship with a different judge but within the same type and level of court as the previous externship is insufficient; *e.g.*, a student could not receive credit for externships with two different U.S. District Court judges, even if they are located in different cities.

If planning to apply for credit for several externships, please also keep in mind the law school's policies regarding non-classroom units.

### ACADEMIC ELIGIBILITY REQUIREMENTS

Please review the requirements below to determine whether you are eligible to apply for academic credit for a judicial externship. **These academic eligibility requirements are strictly enforced without exception.**

#### When Can You Participate in the Judicial Externship Program?

- 1) **Full-time students** are eligible to participate in the Judicial Externship Program in their last three semesters of law school. **Part-time students** who maintain part-time status are eligible during their final four part-time semesters.
- 2) Students are required to have completed Evidence before they begin their externship or be concurrently enrolled in Evidence during the semester of the externship.

#### Do You Meet the Minimum GPA Requirements?

Students who apply for a judicial externship for academic credit must meet certain GPA requirements, see below:

#### Minimum Cumulative GPA Requirements for Students Who Entered Law School Before Fall 2007:

No. of Academic Units	Minimum GPA
Full-time (12 units)	2.80
Half-time (6 units)	2.50
Part-time (3 or 4 units)	2.30

#### Minimum Cumulative GPA Requirements for Students Who Entered Law School in Fall 2007 or Thereafter:<sup>2</sup>

No. of Academic Units	Minimum GPA
Full-time (12 units)	3.00
Half-time (6 units)	2.70
Part-time (3 or 4 units)	2.50

---

<sup>2</sup> Students who are enrolled in law school in Fall 2007 or thereafter are subject to the modified grading guidelines adopted in Fall 2007.

### APPLYING TO THE COURTS

Courts usually prefer to receive by mail a cover letter, resume, writing sample, and copy of the transcript. (Some superior courts may not require writing samples or transcripts at the outset, so if these are not strong points for you, it may be better to send initially only a cover letter and resume.) A letter of recommendation from a faculty member or former work supervisor also may be helpful in strengthening your candidacy.

Addressing a court in a cover letter is different than addressing other legal employers. The Office of Career Planning (OCP) has written guidelines, which include sample cover letters, describing the application process. We also recommend that you make an appointment with an OCP counselor to review your cover letter and resume. The OCP guidelines also include sources to locate court opportunities and judicial profiles. Please note that the United States District Court for the Northern District of California has an online application process (go to <http://www.cand.uscourts.gov/> and click on “Extern Application” to the right), but it is advised to also mail hard copy applications.

For your convenience, **attached to this packet is a list and contact information of judges and courts** that have accepted USF law students as externs in the past. Please note that externships are not limited to the courts on this list. To find additional opportunities, please see the OCP, see p. 8.

If you receive an externship offer from a court, you should respond to the offer within a day or two of receipt. For this reason, we advise that you stagger the mailing of your applications based on the order of interest in these courts.

The courts have yet to agree upon uniform deadlines for accepting applications, and judges are free to hire whenever they choose, so anything that delays your application can make a difference. We recommend that you apply to the courts at least three (3) months in advance of the semester of the externship at a superior court, and at least six (6) months for an externship with a federal court.

### EXTERNSHIP APPLICATION PACKET MATERIALS

After a student has obtained a firm offer of an externship with a judge or court,<sup>3</sup> the student must submit the following completed materials to the Externship Programs Office by the deadline listed on the front cover of this packet:

- 1) *Student Application Form for Judicial Externship*;
- 2) *Extern Supervisor and Extern Agreement* (supervising judge or his/her staff/research attorney must sign this form);
- 3) *Statement of Educational Goals for Judicial Externship* (supervising judge or his/her staff/research attorney must sign this form); and
- 4) Current resume.

---

<sup>3</sup> Security and Background Checks: Some courts require students to complete a security and background check prior to extending an offer for an externship. If a court requires this, usually the judge’s staff will inform candidates during the interview process.

**CREDIT FOR SUMMER EXTERN WORK**

Students are often interested in obtaining externship credit for work they perform over the summer. While this is possible, please consider the following prior to applying:

- 1) Summer externships are treated like any other summer school course. You must register for the externship at the beginning of the summer and you must pay for tuition for each unit. The unit options during the summer term are 3 or 4 units.
- 2) The last day to register for summer school is usually in late May or early June.
- 3) Full-time students must still pay tuition for subsequent semesters at the School of Law. Thus, if you are a full-time student, it may not make financial sense for you to get course credit for summer work. Instead, you might consider performing the work on a volunteer basis. You will still obtain valuable experience and make contacts that may prove advantageous in your legal career, while avoiding an increase to your overall costs/debt burden.
- 4) All the aforementioned rules regarding student eligibility, academic standing, course credit, hours of work required, pre-requisites and co-requisites still apply.

**ASSISTANCE FROM THE OFFICE OF CAREER PLANNING**

Prior to submitting applications to courts or the Externship Programs Office, students are advised to meet with a Director from the Office of Career Planning to cover the following:

- Discuss the different judicial externship experiences possible depending on the type of court and where to locate these opportunities;
- Review cover letters and resumes; and
- Discuss how to prepare a writing sample

Located in Room 230, the OCP can be reached at (415) 422-6757 or at [lawcareer@usfca.edu](mailto:lawcareer@usfca.edu).

IMPORTANT:

REQUIREMENTS OF AND LIMITATIONS ON JUDICIAL EXTERNSHIP PROGRAM

It is the student's responsibility to ensure that her/his judicial externship schedule does not conflict with her/his regular academic schedule. Changes will not be made in individual academic schedules to accommodate a student's judicial externship. To receive credit for the externship, the student must attend the Judicial Externship Orientation, which takes place the week before classes begin for fall/spring semesters. Students may not enroll in more than one in-house clinic, civil or criminal law externship, judicial externship, or Street Law course, during the same semester.

To obtain the Juris Doctor degree, students must complete eighty-six (86) units of course credit. Please note that there is a twenty-one (21) unit maximum placed on the number of non-classroom units that can be applied towards the J.D. degree. Non-classroom units include the one (1) unit received for Moot Court participation and any other units received for such activities as Moot Court case counsel, directed research, ASP tutor, the Street Law program, in-house clinics, externship programs, school-sponsored international internships, Law Review, Maritime Law Journal and the Intellectual Property Law Bulletin for which credit is awarded. In addition, a maximum of seven (7) units of part-time civil/criminal law or judicial externship experience (i.e., 3 or 4 unit externships) may apply toward the J.D. degree. It is the student's responsibility to see that she/he does not exceed these allowances, as they will affect eligibility for graduation.

I certify that I have read the above and the Policies, Procedures, and Requirements in the Judicial Externship Application Packet. I understand that I am required to attend the Orientation, submit evaluations and weekly timesheets, and complete other assignments as directed.

Supervisor(s): \_\_\_\_\_

Placement: \_\_\_\_\_

Thank you for your support, supervision, and mentoring of a law student. The following are the minimal standards expected of extern supervisors and externs who will receive academic credit.

**Supervisor's Agreement:**

Please initial each standard and add any comments to the bottom of this form.

\_\_\_\_\_ **Orientation:** Externs receive an orientation, including a discussion of office procedures and confidentiality, and an overview of the work and expectations of the extern.

\_\_\_\_\_ **Supervision:** Externs are assigned a supervising attorney who will participate in directing, monitoring, and mentoring them throughout the semester. At a minimum, supervising attorneys are expected to meet weekly with their externs.

\_\_\_\_\_ **Assignments:** Externs are informed of the system for assigning work projects and given clear deadlines, and will receive on-going guidance for managing the workload.

\_\_\_\_\_ **Feedback:** Externs are provided specific, individualized, and timely feedback on each assignment. Periodic written evaluations will be completed for externs.

\_\_\_\_\_ **Diversity of Tasks:** Externs are assigned the same kind of work as a paid law clerk or entry-level staff attorney, including exposure to a broad range of lawyering skills. Administrative work will be kept to a minimum.

\_\_\_\_\_ **Observation:** Externs will have opportunities to observe court proceedings, client/staff/strategy meetings, and other appropriate and timely professional activities.

\_\_\_\_\_ **Opportunities for Reflection:** Externs will meet with their supervisor, other attorneys and staff to discuss their observations, experiences, and other issues relevant to the profession.

\_\_\_\_\_ **Logistics:** The extern has a designated workspace and access to the tools (e.g., telephone, computer, library) and support reasonably necessary to complete assignments.

\_\_\_\_\_ **No Compensation.** I understand that ABA Rules prohibit students from receiving compensation during an externship for academic credit, except for reimbursement of reasonable out-of-pocket expenses related to the externship.

\_\_\_\_\_ **Bar Admission/Status.** I certify that my first bar admission was to the (state) \_\_\_\_\_ Bar in (month/year) \_\_\_\_\_ and that I am currently an active member with the (state) \_\_\_\_\_ Bar.
