POLICIES, REQUIREMENTS AND PROCEDURES

INTRODUCTION

The Civil/Criminal Law Externship Program provides upper-division law students who meet certain requirements to receive academic credit for unpaid externships¹ they secure with established law firms or corporate legal departments; non-profit organizations or the legal department of government agencies or offices within and outside of the Bay Area. Thus, the Program provides students the opportunity to include practical, hands-on experience as part of their school education. The policies and requirements are intended to ensure a high-quality experience for students working under the supervision of experienced practitioners.

Criminal externs are required to enroll in the criminal externship course. Civil externs are required to enroll in the civil externship course, however, if appropriate by subject area, students may elect to enroll in the following classes:

Legal Services for Children (Fall 2014)
Domestic Violence Litigation and Ethics (Fall 2014)
Deportation Defense and Rebellious Lawyering Skills (Fall 2014)
Internet and IP Justice Clinic (class only) (Fall 2014)
Eviction Defense, Litigation Skills and Ethics (Spring 2015)

Please check the Course Schedule for information regarding registration and units.

DEADLINES

After having secured an externship offer from an eligible employer, students must submit completed applications to the Externship Programs Office for processing and approval by the deadlines listed below and on the cover of this packet. Adhering to these deadlines will allow enough time for all applications to be reviewed for approval in time for the Law School's registration deadlines.

Fall 2014 Externships: Applications due Thursday, August 14, 2014

Spring 2015 Externships: Applications due Thursday, December 4, 2014

Applications submitted after the deadlines above are not guaranteed approval and are subject to the discretion of the Director and Assistant Professor of the Externship Programs.

Since most externship applications are submitted and/or approved after the initial class registration period closes, it is recommended that you register for classes as if you are not taking an externship. Once you have been notified by the Externship Programs Office that your externship has been approved, you will drop your previously registered classes and add the externship units and corresponding class. This process can be done during the add/drop period.

University of San Francisco School of Law

Approved & Pending Applications

All students who have been approved for externships, and students whose applications are pending approval, must attend the externship class orientation. Failure to attend the orientation will result in disqualification from the Externship Program that semester. Please review the Course Schedule for class dates and times.¹

STUDENT ACADEMIC ELIGIBILITY REQUIREMENTS

Please review the requirements below to determine whether you are eligible to apply for academic credit for a civil or criminal law externship.

¹ “Externship” is synonymous with “internship.” To distinguish itself from USF’s In-House Law Clinics, the Externship Programs Office uses the term “externship” to identify learning opportunities for students that occur outside the classroom. Students earn academic credit for these opportunities. Employers/supervisors sometimes use the term “internship” to identify these opportunities because these students will be working within their organizations

When Can You Participate in the Civil/Criminal Law Externship Program?

Subject to minimum GPA and other academic requirements, students are eligible to participate in the Civil/Criminal Law Externship Program during the following semesters:

Part-time (2 (summer session only), 3, 4, or 5 units) and Half-time Externships (6, 7, 8, or 9 units):

- **Full-time students:** during their second and third years of law school (*i.e.*, starting the summer following the first year of courses, but see p. 8 for summer externships)
- **Part-time students:** during their third and fourth years (*i.e.*, starting the summer following the spring semester of their second year)
- **Part-time students who convert to full-time status after their first year:** starting in the spring semester of their second year

Full-time Externships (10, 11, 12, or 13 units):

- **Full-time students:** during their last three semesters of law school
- **Part-time students:** during their third and fourth years (*i.e.*, starting the summer following the spring semester of their second year)
- **Part-time students who convert to full-time status after their first year:** during their last three semesters of law school

Note re International Students: Before submitting an Externship Application, students with visas are advised to consult with the Office of International Student and Scholar Services (ISSS) regarding any off-campus work authorizations that may be required. (415) 422-2654.

See <http://www.usfca.edu/iss/employmentoffcampus/>.

Note re JD-MBA Program Students: Students are not allowed to take any law courses during their fall or spring semester. Also, their 12 crossover units from MBA program are classified as non-classroom (per ABA), so they must remain vigilant of the out-of-classroom unit policy.

¹ Students externing outside of the Bay Area or enrolling in Legal Services for Children, Domestic Violence Litigation and Ethics, Deportation Defense and Rebellious Lawyering Skills, Internet and IP Justice Clinic (class only), and Eviction Defense, Litigation Skills and Ethics courses must contact the Externship Programs Office regarding application, orientation, and course requirements. Externship requirements for students enrolled in the Deportation Defense and Rebellious Lawyering Skills course will be reviewed during the first class session.

University of San Francisco School of Law

Do You Meet the Minimum GPA Requirements?

Applicants for Civil/Criminal Law Externships must be in good academic standing at the time they apply for and at the time they start the externship, and meet certain GPA requirements as follows:²

No. of Academic Units	Minimum GPA
Full-Time (10, 11, 12, or 13 units)	Above 2.70 and good academic standing
Half-Time (6, 7, 8, or 9 units)	Above 2.50 and good academic standing
Part-Time (2 (summer session only), 3, 4, or 5 units)	2L (summer and fall): Above 2.50 and good academic standing
	2L (spring) and 3L students (summer, fall, and spring): at least 2.30 and good academic standing

ACADEMIC UNITS AND REQUIRED FIELDWORK HOURS

Units and Hours

Below are the possible number of units that students may register for and their corresponding fieldwork hours. **Please note that because the summer session is much shorter than the fall/spring semesters, only the 2 (summer session only), 3, 4, and 5-unit options are available in the summer.** During the fall/spring semesters, students must begin their fieldwork by the beginning of the third week of classes and complete the required hours during that semester.

Summer sessions are approximately 7 weeks long, and fall/spring semesters are usually 14-15 weeks long. Please refer to the Course Schedule for specific semester start and end dates, and consult with your attorney fieldwork supervisor to determine your weekly schedule.

Full-Time Externship	13 units = 572 hours → 41+ hours/week (<i>unavailable during summer session</i>)
Full-Time Externship	12 units = 528 hours → 38+ hours/week (<i>unavailable during summer session</i>)
Full-Time Externship	11 units = 495 hours → 35+ hours/week (<i>unavailable during summer session</i>)
Full-Time Externship	10 units = 455 hours → 33+ hours/week (<i>unavailable during summer session</i>)
Half-Time Externship	9 units = 423 hours → 30+ hours/week (<i>unavailable during summer session</i>)
Half-Time Externship	8 units = 376 hours → 27+ hours/week (<i>unavailable during summer session</i>)
Half-Time Externship	7 units = 329 hours → 24+ hours/week (<i>unavailable during summer session</i>)
Half-Time Externship	6 units = 282 hours → 20+ hours/week (<i>unavailable during summer session</i>)
Part-Time Externship	5 units = 235 hours → 17+ hours/week during fall/spring or 34+ hours/week during summer
Part-Time Externship	4 units = 188 hours → 13+ hours/week during fall/spring or 27+ hours/week during summer
Part-Time Externship	3 units = 141 hours → 10+ hours a week during fall/spring or 20+ hours/week during summer

² An exception may be granted to the GPA requirement. Please contact the Externship Programs Office for details.

University of San Francisco School of Law

Part-Time Externship	2 units = 94 hours → 13+ hours a week during summer session only (<i>unavailable during fall and spring semesters</i>)
----------------------	---

The hours should be spread out relatively evenly over the entire semester. Front-end loading of hours is not permitted. In addition, working a significantly higher number of hours beyond what is required to receive credit is discouraged; the ABA states that credit shall be “commensurate with the time and effort required.” The Law School also wants to ensure that students have enough time to do well in their other classes and school commitments. Course credit must be arranged at the outset of your work for the agency/office/firm, as students may not receive credit for work already performed. The required fieldwork hours exclude time spent during and completing assignments for the corresponding classes.

Law School Policies re Non-Classroom Units

1. **Maximum Number of Non-Classroom Units Allowed Overall:**

Students entering prior to Fall 2011: to obtain the Juris Doctor degree, students must complete 86 course units including at least 65 units in regularly scheduled law school classroom courses.

Students entering Fall 2011 and thereafter: to obtain the Juris Doctor degree, students must complete 84 course units including at least 65 units in regularly scheduled law school classroom courses.

Non-classroom units include, but are not limited to, the In-House Clinics, Civil Law/Criminal Law/Judicial Externship Programs, school-sponsored international internships, Moot Court, Advanced Moot Court, ASP Tutors, Street Law, the *Intellectual Property Law Bulletin*, the *Maritime Law Journal*, and the *USF Law Review*. Please note that any activity listed under “Special Programs” in the Course Schedule is non- classroom credit.

2. **Limitation on Types of Non-Classroom Units Allowed in One Semester:**

Although you may take advantage of all of these programs during the course of your law school education, you can take only one in-house clinic, civil/criminal law or judicial externship, or Street Law, in any given semester.

3. **Concurrent Enrollment in Other Classes for Full-Time Externs:**

Full-time civil/criminal externs who are full-time students may enroll in units in addition to the externship for a maximum total of 16 units for the semester, subject to the policies above.

MANDATORY CLASS ATTENDANCE AND WEEKLY TIMESHEETS/EVALUATIONS

Students enrolled in an externship must attend all corresponding class meetings. Students who fail to attend the first class will result in disqualification from the Externship Program that semester. Failure to attend subsequent classes and complete assignments on time risk receiving a grade of Credit-Unsatisfactory or No-Credit. The corresponding course does not constitute a separate unit. Please note that fieldwork at the externship is not an acceptable reason to miss classes. Students must notify their supervisors about the classes and plan accordingly. Weekly timesheets and assignments must be prepared and submitted in compliance with the schedule provided in the syllabus.

Students enrolled in an externship outside of the Bay Area or in Legal Services for Children, Internet and IP Justice Clinic (class only), Eviction Defense Litigation Skills and Ethics, Domestic Violence Litigation and Ethics, or Deportation Defense and Rebellious Lawyering Skills courses are not required to attend all civil/criminal classes. Students will be required to attend an orientation and meetings with the Director and Assistant Professor of the Externship Programs and complete externship coursework, which will vary by class. Externship requirements for students enrolled in the Deportation Defense and Rebellious Lawyering Skills course will be reviewed during the first class session.

University of San Francisco School of Law

GRADING

Grading for the Civil/Criminal Law Externship Program is awarded on a Credit (CR)/ Credit-Unsatisfactory (CU)/ No Credit (NC) basis.

ELIGIBLE EMPLOYERS

Supervisor Eligibility

The externship must offer students substantial professional experience in a variety of tasks similar to those which a practicing attorney would perform with the agency or office.² Participating in an externship should give students a broader perspective of the legal system and law practice.

- The office or agency where the externship takes place must assign a supervising attorney to oversee the student's fieldwork and provide the Law School with evaluation reports; and
- All supervising attorneys must have been admitted to a state Bar for at least two years and be in good standing with the Bar.

Previously Approved Employers

Attached to this packet is a list of pre-approved externship employers titled "List of Prior Externships". Details regarding externship duties will be entered, as information comes in from employers, on www.USFLawLink.com. (Go to the Internship/Job Listings toolbar and conduct a search by selecting the Position Type field "Civil Law Externship" or "Criminal Law Externship.")

Student Evaluations of Prior Externships

Student evaluations of past externships are on www.USFLawLink.com. Please follow the below instructions to view these student evaluations:

- Once logged in, click on the "Resources" tab.
- Once on the Resources page, search using the "Type" field for the externship you are interested in (*i.e.* Student Externship Evaluation – Criminal Law, Student Externship Evaluation – Civil Law).

² Bar Certification: Some externships may provide students with an opportunity to make court appearances under attorney supervision. To be able to do this, students must apply for Certification under the Practical Training of Law Students Program of the State Bar of California. Complete and submit the application as soon as possible, as processing by the State Bar may take several weeks. Applications are available in the Registrar's Office and on the State Bar of California's website: www.calbar.ca.gov. Keyword search "Practical Training of Law Students Program."

Please note that if you have a particular legal employer or court in mind, you may type in the name of the legal employer or court in the "Keywords" search field.

Employers Not Previously Approved

If you seek credit for an externship at a legal employer that is not on the attached *List of Prior Externships*, that employer must complete a *Request for Approval of Agency for Civil/Criminal Law Externship Program*, which is attached to this packet.

"Approved" Status of Employers/Site Visits

The Director and Assistant Professor of the Externship Programs will conduct periodic site visits of certain externships in compliance with ABA Standards. The Director will meet with supervisors to discuss the employer's externship program (as well as the student's performance) to evaluate the employer's suitability for future externships. Depending on these visits and communications, please note that the Law School has full discretion to disapprove or inactivate an employer from participating in the Programs for any period of time.

University of San Francisco School of Law

Ineligible Externships

The following internship experiences are not eligible for academic credit:

- A student may not simultaneously receive academic credit and be employed, *i.e.*, compensated, by the same agency/office/firm.³
- A student may not receive academic credit for work previously performed or completed during a prior semester. Academic credit must be arranged at the outset of the student's work for the agency/office/firm.
- A student may not earn credit for work performed at a family or relative's (including spouse's/domestic partner's) office/agency/firm.
- A student may earn credit for a repeat internship/position if the experience provides an opportunity for significant educational development. See below for further explanation.

Fieldwork for Employers Where You Have Previously Volunteered or Worked

A student seeking course credit for an externship with the same agency, office or firm at which a student has previously worked (whether volunteer, paid, work-study or in a previous externship) for substantial periods of time must obtain approval from the Director and Assistant Professor of the Externship Programs.

A student may be allowed a part-time (2 (summer session only), 3, 4 or 5 units) or half-time (6, 7, 8 or 9 units) externship with an agency/office/firm where she/he has previously worked or interned by completing the *Petition for Repeat Civil/Criminal Law Externship* to demonstrate that the experience provides an opportunity for significant educational development. This standard may be met if a student demonstrates: 1) that the repeat externship provides new educational benefits distinct from what was learned from the work previously undertaken; and/or 2) that she/he will continue to hone legal skills learned from the work previously undertaken.

APPLICATION PROCESS

- 1) Before attempting to secure an externship with an eligible employer, please verify that you satisfy the academic criteria, meet the requisite minimum GPA requirements, and are not subject to any enrollment limitations.
- 2) Secure your externship using the assistance of the Office of Career Planning (see next page). If this employer is not listed on the attached *List of Prior Externships*, have your supervising attorney complete the *Request for Approval of Agency/Firm for Civil/Criminal Law Externship Program* form.

³ ABA Standards prohibit students from receiving course credit for compensated work. This does not include reimbursement of reasonable out-of-pocket expenses related to the externship.

- 3) Complete the following forms:
 - *Student Application for Civil/Criminal Law Externship Program*
 - *Class Attendance Confirmation*
 - *Extern Supervisor and Extern Agreement* (must be reviewed and signed by supervisor)
 - *Statement of Educational Goals* (must be reviewed and signed by supervisor)
 - *Petition for Repeat Civil/Criminal Law Externship* (required if you have worked/volunteered/externed for the agency/office before)
 - Attach current resume
- 4) If appropriate for the externship, fill out and submit an application to the State Bar to become a "Certified Law Student." (See p. 6, footnote 2.)
- 5) Submit your completed application packet to the Externship Programs Office by the appropriate deadline listed on the cover of this packet.

CREDIT FOR SUMMER EXTERN WORK

Students are often interested in obtaining externship credit for work they perform over the summer. While this is possible, please consider the following prior to registering:

- 1) Summer externships are treated like any other summer school course. You must register for the externship at the beginning of the summer and you must pay for tuition for each unit. *The unit options during the summer session are 2 (summer session only), 3, 4 and 5 units.*
- 2) *Please see Financial Aid Office for more details about submitting your Intent to Enroll.*
- 3) The last day to register for summer school is usually in May. See Course Schedule for official date.
- 4) Full-time students must still pay tuition for subsequent semesters at the School of Law. Thus, if you are a full-time student, it may not make financial sense for you to get course credit for summer work. Instead, you might consider performing the work on a volunteer basis. You will still obtain valuable experience while avoiding an increase to your overall costs/debt burden.
- 5) All the aforementioned rules about student eligibility, academic standing, course credit, hours of work required, pre-requisites and co-requisites still apply.

ASSISTANCE FROM THE OFFICE OF CAREER PLANNING

Students are responsible for making the initial contact with the agency/office/firm and securing the externship. The search for an externship is similar to any other job search process, and the attached *List of Prior Externships* serves as a helpful starting point. During this search, students are strongly advised to meet with a Career Planning Director to discuss practice area interests and employers and review submission materials, including cover letters, resumes, references, and writing sample format. Located in Room 230, the Office of Career Planning can be reached at (415) 422-6757 or at lawcareer@usfca.edu.

PETITION FOR REPEAT CIVIL/CRIMINAL LAW EXTERNSHIP

Student's Name: _____

Agency/Firm: _____

Pursuant to Law School academic policy, credit may be given for an externship with the same agency or firm with which the student has previously worked (whether volunteer, paid, or in a previous externship) for substantial periods of time if the student can demonstrate that the externship provides an opportunity for significant educational development. This standard may be met if a student demonstrates: 1) that the repeat externship provides new educational benefits distinct from what was learned from the work previously undertaken; and/or 2) that she/he will continue to hone legal skills learned from the work previously undertaken. The Director and Assistant Professor for the Externship Programs will consider these *Petitions* for approval, for 2 (summer session only), 3, 4, 5, 6, 7, 8, or 9 units only, upon satisfactory responses to the questions below. Students are advised to submit the *Petition* well in advance of the start of the desired externship. Responses **must be typed**, not handwritten. Attach additional pages as needed.

1. Describe your previous work undertaken at the agency/firm (include date(s) of previous work).

2. Describe your new duties for the prospective externship.

3. Explain how the prospective externship provides an opportunity for significant educational development. Does it provide new educational benefits distinct from what was learned from the work previously undertaken? Will you continue to hone legal skills learned from the work previously undertaken?

9. In compliance with ABA Standards, please note that site visits will be conducted periodically to ensure that the employer is providing an appropriate level and quality of skills training in a professional environment. Depending on these visits and communications, the law school has full discretion to disapprove or inactivate an employer from participating in the Programs for any period of time.

10. Because students pay tuition for each unit, law schools and the ABA expect higher standards of teaching and oversight from an externship supervisor than from the supervisor in a volunteer internship. Accordingly, please review the supervisor's obligations listed in the *Extern Supervisor and Extern Agreement*.

I have read the School of Law's policies, requirements and procedures for externships, including its *Extern Supervisor and Extern Agreement*, and I am willing to comply with them. I also certify that I am in good standing with the Bar.
