If you correctly added yourself to a closed course with a wait list, the course will appear on your schedule with a status of "wait listed".

How to Remain Eligible for the Wait List: (If you already added yourself to the wait list of a course)

1. **Review this wait list every day, after it has been updated and follow the adding instructions below by the stated deadline for accepting a wait listed seat.**

2. **Additional Steps for courses with a "Limited Enrollment Attendance Rule":**

Students enrolled in a course that has a limited enrollment attendance rule (listed in the Notes column of the class schedule) must attend the all class sessions in order to either 1) maintain their seat if enrolled, or 2) remain on the wait list if wait-listed. At the request of the instructor, the Registrar's Office will drop any enrolled and/or waitlisted student with an unexcused absence during the first three weeks of the semester.

Students on the wait list of a class with this designation must follow the additional steps below in order to remain on the wait list.

- 1) Attend each class session; **and**
- 2) Sign their name to the class roster **at each** class session; **and**

- 2) Follow the wait list procedure instructions listed below to learn how to read a waitlist and accept an available seat.

The Professor will provide the Law Registrar's Office with the signed class roster after each class. The Registrar's Office will use this document to update their wait list records and will make any necessary drops as request by the professor. Students who remain on the wait list will be offered an available seat *in the order of the wait list* on the next designated wait list posting. Students should note the wait list instructions above to learn how to check a wait list and accept a wait listed seat. **Please be reminded that the Registrar's Office offers students available seats; professors are not allowed to offer seats to students.**

Daily Wait List Updating Time

Wait lists will be updated each morning by 10:00 a.m. It is the student's responsibility to check the lists daily and officially respond to the Law Registrar's Office in order to add the course when an opening occurs. Please remember that students will **not** be added automatically to a course from a wait list.

Deadline for Accepting the Seat

The date and time by which you must add the course will be indicated in a column marked "Deadline for Adding". **The deadline to contact the Law Registrar's Office is by 4:00 p.m. on the deadline date indicated.** If the course is not added by this deadline, your name will be removed from the wait list and the option to add will be given to the next student on the list. When you email your acceptance, you must indicate which classes (if any) you want to be dropped from in order to add the wait-listed class.

If you wish to add your name to a wait list or delete it from a wait list, you may do so through the on-line registration system during the Spring 2014 Preliminary Seat Offer Deadline (11/11/14 – 11/14/14) or again during the Drop/Add period (January 8th – January 26, 2015).

What Do To If You Are Offered a Seat

If offered a wait-listed seat "**See Registrar**" will be entered beside your name on this list.

If offered a seat, you will then have until the time & date deadline listed below in which to add the course by:

- **E-mail:** Send your confirmation from your **USF email account** to lawregistrar@usfca.edu with any corresponding drops.
- **In-Person:** Visit the Office of the Law Registrar (Kendrick 220) to complete a change of schedule form.
- **Fax:** Fax a completed add/drop form to 415-422-4199.

These steps must be completed before the deadline. The goal is to offer students an adequate opportunity to add the waitlisted course while moving along the wait lists quickly.
