

Learning Outcomes

By completing the Service Learning graduation requirement, USF students will

Discover how to apply and extend what is learned in the classroom while addressing the needs and issues of the community agency that hosts the service learning experience

Analyze their own beliefs, values, assumptions and identities while learning about the beliefs, voices and values of others

Demonstrate an understanding of the responsibility that all citizens share to be ethically engaged in furthering the welfare of their communities

Demonstrate the ability to properly identify a community's demographic characteristics, socio-cultural dynamics, needs and strengths

Reflect on the personal and academic impact of their experiences with a community or agency

Demonstrate learning from multiple sources of knowledge and an appreciation for the reciprocity between scholarly knowledge and community action

Think critically and act compassionately as they promote social justice
