

## USF Purchasing & Ancillary Services

Purchasing Services has partnered with several suppliers, manufacturers, consortiums and cooperative buying agreements to provide the best value to the University Community.

Our commitment and goal is to provide high quality, cost-effective and timely solutions through a diverse portfolio of competitive agreements/contracts and value-added services.

We are pleased to provide you with a partial listing of our discounts, agreements and contracts. Our discount levels vary from commodity, supplier or manufacturer, so it's always best to work with your USF Purchasing Representative. On average, we are able to negotiate 30-65% off suggested retail prices.

**USF Purchasing Representatives will guide and assist you with all your procurement needs.**

**Your participation will ensure that USF will continue to receive favorable discounts to stretch your departmental resources.**

Please email your requirements, scope of services & timeline to:
