

# Evaluation of Gleeson Library Instruction Session

*We are interested in the student's perspective on library instruction. Please take a moment to fill this out. Thanks!*

Librarian's name & your class:

Date/Time:

1) Please complete these two sentences:

a) Based on this session, I will be able to:

b) The questions I still have are:

*If you would like a librarian to get back to you with an answer to your question, please give us your email address:*

2) In your own words, what are some of the differences between using a search engine like Google and using a library database like ProQuest?

3) What changes would you recommend to this session to make it more useful for other students?
