### **KIDS KAMP CONCEPT**

Boys and girls can participate in many activities and sports. The philosophy is to allow a young person to participate in many different sports at a comfortable learning participation level without the pressure of a high intensity, skilled camp. ### **KIDS KAMP X-TRA CONCEPT**

Boys and girls can participate in many activities and sports during regular Kids Kamp. However, they can also choose the "X-TRA" which puts a half-day emphasis on swimming. The kids will experience progressive instruction throughout the week allowing them to improve on their experience from the prior day. By starting at a young age, the individual camper will be able to develop proper habits for long-term sports interaction and recreational success.
