PROFESSIONAL PROFILE

Strategic partnerships and social impact leader with 20+ years of experience scaling mission-driven programs through cross-sector collaboration, nonprofit innovation, and global go-to-market strategy. As the founding lead of Slalom's nonprofit and philanthropy practice, I've built scalable GTM models, launched co-branded partnerships with AWS, Salesforce, and Microsoft, and influenced \$250M+ in impact revenue. Proven ability to align business objectives with community outcomes, build trusted relationships with diverse stakeholders, and design sustainable systems that drive measurable change.
