<sup>1</sup> *On May 23, 1935, the Board invited Fr. Morton to resign “owing to his absence and residence in a distant part of the country.” Apparently, nothing came of the invitation and no board action was taken. His term expired in 1938 and a successor duly elected.*

<sup>3</sup> *President of the University and Chairman of the Board.*

<sup>4</sup> *While Mr. McCarthy’s tenure on the Board came to an end on August 12, 1953, he does not appear to have been present or participated in the meetings of the Board of Trustees after November 4, 1947 (although he was re-elected as a trustee at the December 10, 1951 meeting).*

<sup>16</sup> *The meeting of September 1954 marks the disappearance (until 1971) of lay persons as members of the Board of Trustees with the resignation of Trustees Murphy and McAuliffe by Jesuit members. This September action is, without explanation or apparent reason (apart from oversight), duplicated at the March 19, 1955 meeting of the Board. There appears, however, to have been no recorded actual lay participation since November 5, 1947.*

<sup>17</sup> *President of the University and Chairman of the Board.*

<sup>18</sup> *Reelected to the Board of Trustees, September 1971-October 1976, as the representative of the Jesuit Community. The 1970 Bylaws made provision for such representation; the provision was subsequently deleted.*

<sup>19</sup> *Secretary-Treasurer of the Corporation.*

<sup>20</sup> *At the January 25, 1956 meeting, the Board took action to regularize the terms of Board members; these terms had become cloudy and confused over the years.*

<sup>22</sup> *Named Rector of Jesuit Community, 1958; became Rector and President of the University, January 1963.*

<sup>23</sup> *There is no letter of resignation from Fr. Reed and no election of a successor to his seat on the Board. Fr. Reed participated in the July 7, 1959 as a member of the Board and apparently ceased to function as such prior to the August 24, 1959 meeting of the Board of Trustees. This may be accounted for by the separation into separate canonical entities of the University and High School communities [Fr. Reed was a trustee in virtue of holding the post of Principal of St. Ignatius High School]. An undated incumbency certificate found in the book of the Minutes lists his date of expiration as September 14, 1959.*

<sup>24</sup> *There is no Resolution of Election for Fr. Callahan. His date of election, on an undated incumbency certificate in the book of Minutes, is given as September 14, 1959 (a meeting of which there is not record), although he appears as an elected and acting trustee at the August 24, September 1 and September 8, 1959 meetings of the Board of Trustees.*

<sup>25</sup> *There is no Resolution of Election for Fr. Vaughan. His date of election, on an undated incumbency certificate in the book of Minutes, is given as December 4, 1961. He first appears as present and acting as trustee at the meeting of December 10, 1963. [Note: there were apparently no formal meetings of the Board between December 27, 1960 and December 10, 1963.]*

<sup>26</sup> *There is no resolution of Election for Fr. Ford or Fr. Harrington. They are both present and acting as trustee at the December 10, 1963 meeting of the Board of Trustees. At or about this time, Fr. Ford succeeded Fr. O'Rourke as the Minister of the Community (and, according to the practice of the time, as a trustee of the University).*

<sup>27</sup> *See note 26.*

<sup>28</sup> *There is no Resolution of Election for Fr. Lo Schiavo or Fr. Martin. Both are present and acting as trustees at the September 21, 1964 meeting of the Board of Trustees.*

<sup>29</sup> *Reelected to the Board in September 1969.*

<sup>30</sup> *See note 28.*

<sup>31</sup> *There is no Resolution of Election for Fr. Finnegan or Fr. Sugrue. They both are present and acting as trustees at the April 12, 1966 meeting of the Board of Trustees.*

<sup>32</sup> *See note 31.*

<sup>33</sup> *At the September 21, 1967 meeting, the terms of office for trustees and revisions of expiration dates were once again adjusted; this was due to inconsistency in Board action over the past several years.*
