On the Award Overview tab, you will see all the necessary information regarding your award package, including the Cost of Attendance used in determining your award, your anticipated housing and enrollment status, which correspond to your answers from the FAFSA application, your actual Financial Aid Award by term, and the status (offered/accepted/declined) of each fund that you have been awarded.

Before you are able to accept the aid offered to you, click on the tab titled Resources/Additional Information, answer the questions on that page regarding Refund Authorization. Submit your answer and the Accept Award Offer tab will get activated.

If you wish the university to release your refund at the beginning of the semester, select “I DO NOT authorize”

If you wish the university to hold your refund until the end of the semester, select “I authorize”

Go to the next tab titled Terms and Conditions, review that page and then you should be able to view the tab titled Accept Award Offer.
Click on each fund name for a description. Review the status of each fund. Most of the financial aid offered to you will remain in an "offered" status until you accept or decline. After census date, which is the last day to drop each semester, the Financial Aid office may cancel any financial aid that is still in an offered status.

You can accept or decline all or part of an offered award under the **Accept Award Offer** tab. After accepting your award, you may view your outstanding requirements below the page.

Your options include:

1) Accepting the **full** amount of **all** your awards
2) Choosing to fully accept and/or decline individual awards
3) Choosing to accept partial amounts of an award by selecting accept, then entering the amount you would like in the accept partial field. Please be advised that the amount that you accept is for the **Fall 2020/Spring 2021 Academic Year**. The amount will be divided equally between the Fall and Spring semesters.
4) To receive the Graduate PLUS Loan, you must first accept the full Unsubsidized Loan amount. This is a credit based loan and you must be credit approved by the Department of Education in order to receive PLUS Loan aid. The University Financial Aid Office will submit your PLUS Loan amount to DOE on your behalf for credit review. PLUS Loan credit review will begin in early June for continuing students and late June for new admits (after 2nd deposit is paid). You will receive an email from DOE if approved or denied.
   a. If approved, you must now complete a Master Promissory Note (MPN) for the Direct PLUS Loan (if a PLUS MPN has not previously been completed at USF).
   b. If you are credit-denied, the Department of Education will inform you of your options via email.

**Important:** Before receiving a Graduate PLUS loan, you must be awarded and **accept** the full Unsubsidized Loan amount first on your myUSF student portal at [https://myusf.usfca.edu/](https://myusf.usfca.edu/).

To submit outstanding USF financial aid documents, click on the **Financial Aid** tab at the top of the page. Click on the **Complete Verification/Upload Documents** link to upload any unsatisfied/outstanding financial aid requirements. Once your required documents have been received by our office, they will be reviewed and we will notify you if additional information is required.
