## Articulation Agreement

(Based Upon USF and Heald College catalogs for 2010-2011)

This Agreement is to be used as a guide for the purposes of Admission into the University of San Francisco as a transfer student. The Office of Admission will award academic transfer credit as appropriate at the time of admission. All students who wish to receive an undergraduate degree from USF must satisfy the coursework included in the Core Curriculum. All transfer students are encouraged to contact the Admissions Office for clarification of the University procedures and policies at (415) 422-6563. Students do not need to complete all these classes to be eligible for admission. However, these core areas must be completed in order to graduate from USF. A 3-UNIT SEMESTER OR 4-UNIT QUARTER COURSE WILL SATISFY THE INDIVIDUAL CORE AREA REQUIREMENT. THE TOTAL CORE REQUIREMENT OF 44-UNITS MUST BE MET IN ORDER TO GRADUATE FROM USF, WHICH MEANS ADDITIONAL COURSES IN A CORE AREA MAY BE NEEDED TO MEET THE TOTAL UNIT REQUIREMENT.

All credits designated as transferable to the California State Universities (CSU) by the California community college at which the credit was earned will transfer to USF with the exception of remedial math and English. (i.e. No English below College Composition or its equivalent, no math below College Algebra will transfer.) Such designation must be applicable at the time the work was completed.
