Ricardo P. Molinari Scholarship 2020-2021
Instructions for Applicants

Please submit the following to dkeith@usfca.edu by November 17, 2020. This scholarship is only available for USF Teacher Education students who meet the criteria listed on the Molinari Scholarship flyer.

1) This page with information completed below.

2) 500 word essay on the following topic:

   Please describe your experiences with bilingual education, as a student and/or prospective teacher. What do you feel are challenges facing bilingual students in schools?

3) You must also include one paragraph, detailing any scholarships, tuition remissions or reduced tuition rates that you have received or applied for.

In this paragraph, you should include additional details about your financial circumstances and any factors that should be considered in determining need. You must submit the Free Application for Financial Aid (FAFSA) or the CA Dream Act (CSAC). If you are an undocumented student from out of state who did not/could not complete the CSAC, please reach out to sacapitelli@usfca.edu. The FAFSA and CSAC is available online. If you have already submitted your financial aid application to USF, you do not need to do so again.

All recipients of the scholarship agree to have their name, photo, and bio shared with the donor and on the USF website.

If a student to whom a scholarship has been awarded ceases to meet the eligibility criteria at any point during the 2020-21 academic year, whether because of change in curricula, major or course of study, voluntary or involuntary withdrawal or dismissal from their academic program, or for any other reason, the student will forfeit any remaining undisbursed scholarship funds and will not be eligible for future scholarship funds, but they will not have to refund any scholarship funds that have already been applied against their tuition and fees.

Applicant’s First Name: _____________________________________ Middle Initial: ___________________
Last Name:  ____________________________________________________________________________
USF Student ID #:  _______________________________________________________________________
