Certification of Finances – F-1 Student Visa

Estimated One-Year Budgets for International Graduate Students for 2015-2016

The total costs listed here are based on typical full-time course loads. U.S. immigration policies require that you document guaranteed funds for your first year of study/program at the University. Tuition and other costs may vary according to the number of courses you complete each year.

Please select from the following student budgets to determine the total costs for your first year of study/program. MGEM applicants, please refer to the Certification of Finances found here: www.usfca.edu/management/graduate/MGEM/MGEM_Admission.

### Living Expenses

Living Expenses include housing (rent), food and health insurance. All international students are automatically enrolled in the USF student health insurance plan. Please visit [www.usfca.edu/hps](http://www.usfca.edu/hps) for student health insurance details and possible exemptions.

### Other Expenses

Other Expenses include books and supplies, local transit pass, and personal expenses.

### Possible Additional Expenses

Possible Additional Expenses (not included in the above estimated total costs):

- a) Transportation between your home country/state and California.
- b) Summer session costs (tuition, living expenses, etc.) if you plan to stay at USF for the summer – MBA only. MSAN and MSFA programs do include summer costs.
- c) Dependents (spouse and/or children): $3,750 per dependent for 5 months, $6,750 per dependent for 9 months, or $9,000 per dependent for 12 months.

**Please Note:** Projected funds for your studies in the U.S. should not include possible work opportunities during your program at USF. While students are eligible to work on-campus, the income should be viewed as minimal and not guaranteed.
