CLINICAL EXPERIENCE

Student Public Health Clinical Nurse Specialist and DNP Practica

Spanish Catholic Center, Catholic Charities, Washington, DC (January to May, 2009, 90 hours)

- Assisted in the reorganization and implementation of a diabetes education program for the Latino population coming to the clinic.

Mary's Center for Maternal and Child Care (August to November, 2009, 180 hours)

- Delivered pediatric primary care to Latino and African immigrant families.

Arlington County Public Health Services (January to May, 2010, 166 hours)

- Assisted with a community partnership business plan; researched evidence-based practices for two community-based partnerships regarding flu prevention and prevention of sexually transmitted infections.

Carondelet Health Network (Summer 2010, 270 hours)

- Contributed to the development of a process evaluation for a community-based mobile van program for the homeless population in Tucson, Arizona.

American Nurses Association (August to November, 2010, 180 hours)

- Formulated an issue brief regarding access to health care for documented and undocumented immigrants for the Association's website.

DNP Capstone Project (Published)

- *A Paradigm Shift in Catholic Health Care: An Evaluation of a Community-Based Program for Homeless People*

HIGHER EDUCATION ADMINISTRATION

Rector of the Jesuit Community (June, 2016 to present)

University of San Francisco, San Francisco, CA

- Provide leadership and care for 33 Jesuits serving in three different ministries.
- Serve *ex-officio* as member of the University of San Francisco Board of Trustees
- Serve *ex-officio* on the university president's leadership team.
- Support the pastoral leadership and integrity of the three ministries.
- Collaborate with other administrators and staff for the pastoral leadership of the university on the University Mission Council.

Executive Director of Campus Ministry (July, 2004 to July, 2008)

Georgetown University, Washington, DC

- Reorganized and directed an interfaith team of thirty ministers and staff, and twenty-one residence hall chaplains in providing for the religious life of the University on three campuses.
- Co-created with Georgetown nursing faculty an Americorps Nurses for America program placing 20 nurses in underserved areas across four states (2005-2007).
- Acted as volunteer nurse for diabetes education, Columbia Road Clinic (2005-2006).

HIGHER EDUCATION TEACHING

Assistant Professor of Nursing (August, 2012 to present)

University of San Francisco, School of Nursing and Health Professions

- Taught at the undergraduate and graduate levels within the nursing program as well as within the MPH program.
- Initiated discussions with the president, provost, and director of the nursing program at the Iberoamericana in Tijuana, Mexico for a border health partnership initiative consisting of clinical experience and the development of a bi-national DNP program specializing in border health, and have begun initial planning for program development with the Universidad Rafael Landivar in Guatemala (2013 to 2017).
- Organized the annual Crawford Lecture for the School of Nursing and Health Professions (2016 and 2017).
- Collaborated with Latino nursing students to establish the Latin@ Student Nurses Association and currently serve as its advisor (2014 to present).

Post-Doctoral Fellow (January, 2012 to May 2012)

The Catholic University of America

- Nursing Health Care Ethics—Graduate Nurses.

COMMUNITY DEVELOPMENT

University of San Francisco/Immaculate Conception Academy Nurse Assistant Training Program (Summer 2014 to present)

- Developed an accredited Certified Nursing Assistant (CNA) program for an area high school in partnership with the University of San Francisco.
- Secured funding for the program for three years.
- Identified USF alumni to develop a mentoring program for the students.
- Facilitated a partnership between the USF undergraduate staff and the high school counseling department to provide college/career counseling for the CNA students.

Community Health Partnership in Health Care Delivery Course/Immersion Experience in the Central Valley of California (Summer, 2013; Summer, 2014)

- Organized an intra-professional community health nursing course for BSN, MSN/CNL, and FNP/DNP students, as well as faculty, of the University of San Francisco to work collaboratively with two school districts, two health departments, an ecumenical outreach to the homeless committee, and a county migrant education outreach program providing health education, immunizations, and physicals to approximately 600 children and adults of Fresno, CA and surrounding communities.
- Facilitated the course reflection which focused on the environmental, political, ethical, and behavioral issues that impact the residents' health. The discussions also engaged several of the community partners as well to make for a more collaborative experience for all.

Community Health Nurse (October, 1996 to June, 1999)

East Side Health District, East Saint Louis, Illinois

- Staffed the Well-Child Clinic and the Sexually Transmitted Disease (STD) Clinic.
- Provided case management for Lead-Poisoning Program: refined agency protocol for screening and follow-up of lead-poisoned children; coordinated with other agencies within Illinois Department of Public Health to provide preventive care for children at-risk for lead poisoning.
- Provided case management for High-Risk Infant Program.
- Served as preceptor to BSN nursing students in public health clinical rotation.
- Participated in the Maternal/Child Leadership Institute (1998-1999) sponsored by the Illinois Department of Public Health and the University of Illinois in Chicago, developing a state-wide assessment for incorporating males in sexual health services.
- Organized agency change in providing consent forms and immunization information for Spanish-speaking clients, as well as organized Spanish courses for agency public health nurses.

Counselor (January to December, 1994)

Catholic Social Services, Belleville, Illinois

- Contracted with Bethany Place, Belleville, Illinois to provide individual, family, and group counseling for those affected by HIV/AIDS.

PASTORAL EXPERIENCE

Pastor of St. Patrick Church/Faculty of the Jesuit School of Theology at Berkeley Oakland, California (September, 1999 to June, 2004)

- Served as preceptor to ministerial students in pastoral ministry.
- Acted as volunteer nurse at St. Vincent de Paul Dining Room.
- Developed parish health ministry serving the African-American and Latino parishioners.
- Coordinated development of West Oakland Health Ministry—a collaborative project between five parish communities, the Alameda County Public Health Department and Summit/Alta Bates Hospital (2000-2002).

Associate Pastor (April, 1988 to June, 1991)

Saint Francis Xavier (College) Church, Saint Louis, Missouri.

Associate Pastor (August, 1986 to April, 1988)

Saint Ignatius Parish, Portland, Oregon.
