

**LEE-NAH HSU**  
Email: [zeehsu@gmail.com](mailto:zeehsu@gmail.com)

**Key areas of competence:**

Trans-disciplinary research and application of evidence for strategic planning, implementation and evaluation of community health and human development policies and programmes taking into account governance, socio-economy, health and ecosystem with application of informatics for policies and programmatic decision on human rights, gender equality and sustainable capacity development

**EDUCATION**

J.D. 1996            La Salle University Law School

Sc. D. 1983        Health Policy and Management, minors in Biostatistics & Behavioural Science

M.P.H. 1980        Harvard University School of Public Health

M.S. 1979        Yale University School of Nursing: Family Nurse Practitioner in Community Health

B.S. 1977        Health Sciences University of Oregon School of Nursing

**ACADEMIC AFFILIATIONS**

**University of San Francisco**, Public Health Program, Department of Population & Environmental Health Sciences, San Francisco, California, U.S.A., 2016 – present  
Adjunct Faculty focusing on global health policy intersection with social justice, ethics and law

**Simon Fraser University**, Faculty of Health Sciences, Global Health Department, Vancouver, Canada, 2007-2016, Adjunct Professor

**University of Geneva**, Geneva, Switzerland, 2012-2015, Associate  
Organized annual Global Health and Human Rights Courses on workers' health and rights; global health preparedness: Early Warning Rapid Response System; Ebola response relating to occupational safety and health & social protection for health workers; HIV and human rights

**Turin International Training Centre**, Turin, Italy, 2010-2015, Trainer  
Designed and conducted courses on HIV sensitive social health protection: Equitable access for vulnerable populations; Social Health Insurance: The human side of the equation; Social protection for HIV and TB: The new Recommendation provides a framework for community and public health responses

**ASEAN Institute for Health Development**, Bangkok, Thailand, 2008, Visiting Professor  
Designed, coordinated and taught the "Early Warning Rapid Response System" a public health preparedness research, information and rapid action system, and supervised graduate student thesis

**OSCE Academy**, Bishkek, Kyrgyzstan, 2007, Faculty mentor  
For a graduate student's thesis research on migrants' wives' HIV vulnerability

**Mahidol University**, Salaya, Thailand, 2006, Visiting Professor  
National Institute of Child and Family Development, Graduate programme in Human Development

**Oslo Governance Centre**, Oslo, Norway, 2003, Fellow

Conducted research on building dynamic democratic governance and HIV-resilient societies. The result of this research was jointly published by UNAIDS and UNDP

**Johns Hopkins University**, Baltimore, Maryland, 1991-1994, Adjunct Faculty

School of Hygiene and Public Health, Department of International Health, Division of Health Systems; and School of Nursing

**Tufts University** Medical Center, Boston, MA, USA, 1989, Nurse Practitioner/Operations Information System and research design consultant

USDA Human Nutrition Research Center on Aging

**Southern Illinois University**, School of Medicine, Springfield, Illinois, 1985-1986, Assistant Professor of Epidemiology, and Statistician of the Alzheimer research team

And Sangamon State University School of Health and Human Services, faculty Associate

**University of California**, School of Medicine and School of Public Health, Los Angeles, 1983-1985, Senior Health Economist/Statistician and Data Systems Manager

Sepulveda Veterans Administration, Academic nursing home facility

**Harvard University**, School of Public Health, Boston, MA, 1979-1983, Statistician

The Ambulatory Care Medical Audit Demonstration Project funded by the National Centre for Health Services Research

## PROFESSIONAL EXPERIENCE

**International Labour Organization**, Geneva, Switzerland, June 2009-December 2015

Senior Technical Specialist and focal point on social protection, occupational safety and health, HIV-TB co-infection prevention, treatment, care and support, and the health sector; and as the regional facilitator for Asia and Pacific

### RESEARCH:

- Access to and effect of social protection by people living with HIV and their households
- Rapid survey of national social security administration on policy and programme coverage of HIV, by region
- Jointly with UNAIDS developed an on-line HIV and social protection coverage assessment tool
- Human rights protection relating to HIV in prison and closed settings
- Researched and developed HealthWISE: an action tool and training manual for health sector workforce's occupational safety and health

### ACTIVITIES:

- Managed and provided technical support in operations research and project implementation with funding from GIZ for Mali, Moldova, Namibia, Ukraine; and from OPEC Fund for International Development (OFID) for 12-countries in Africa, Caribbean and America (Ethiopia, Kenya, Liberia, Sierra Leone, Senegal; Bolivia, Dominican Republic, Guyana, Haiti, Honduras, Nicaragua, Paraguay).
- Provided technical guidance in research, programme implementation & resource mobilization for Bangladesh, Cambodia, China, Lao PDR, Nepal, Indonesia, India, Pakistan, the Philippines, Sri Lanka, Thailand, Viet Nam & Pacific Islands (Fiji, Papua New Guinea, Solomon Island, Vanuatu).

- Developed occupational safety and health guidelines on biological hazard for health workforce; and integrated HIV-TB workplace programmes for public and private enterprises, consistent with the international labour standards.

**World Bank (WB) & Asia Development Bank (ADB) September 2007-December 2009**

- Evaluated the transport sector HIV preventive responses (Nepal and Bangladesh) & the South Asia regional transport sector HIV strategy including gender-responsiveness
- Evaluated the World Bank's "Road to good health" an HIV prevention toolkit for behavioural change communication and policy interventions for transport infrastructure construction projects
- Evaluated the WB/DFID Central Asia Regional AIDS fund programme, the operations guidelines and strategy to improve targeting, cost-effectiveness and sustainability (Kazakhstan, Kyrgyzstan, Tajikistan and Uzbekistan)
- Assessed HIV vulnerability along CAREC corridors linking China, Russia, Europe and Afghanistan through Kazakhstan, Kyrgyzstan, Tajikistan and Uzbekistan as ADB's Asia and the Pacific HIV Central Asia regional programme
- Evaluated the migration and HIV training impact of IOM, WB/DFID Central Asia Project

**Global Fund to fight AIDS, TB and Malaria (GFATM) 2005 – 2009; 2017-2021**

- Strategic guidance group for grant applications, National strategy applications and CCM performance
- Conducted the five year-evaluation of GFATM on its governance, partnership and lead an evaluation team in Cambodia and Kyrgyzstan

**Partnerships in Health Foundation, Switzerland, January 2005-August 2009**

- Senior Technical Advisor for the Swedish International Development Agency (Sida) funded Western Balkan Programme to Fight HIV and AIDS
- Evaluator of the Phase I (2000-2004)project
- Designer of the Phase II programme covering Albania, Bosnia & Herzegovina, Croatia, Kosovo, Macedonia, Montenegro, Serbia to strengthen health system, build health workforce capacity, conducted behavior change communication training

**UNDP & UNAIDS Regional Technical Support Facilities, January 2005- December 2008**

- Developed the HIV Strategic plan, 2008-2012 for Sudan
- Provided technical support to the Regional Partnership on Mobility and HIV vulnerability of the Horn of Africa
- Evaluated Round 4 GFATM HIV Grant implementation in Tajikistan
- Developed a Guide to mainstream HIV policy in gender programs for the UNDP Bratislava Regional Centre
- Developed a multi-sectoral HIV mainstreaming guide for UNAIDS and World Bank
- Designed framework on HIV and governance for the UN Development Group, New York
- Conducted impact evaluation of United Nations joint AIDS project of 1997-2004 in Kyrgyzstan
- Reviewed HIV mainstreaming technical support at sectoral and local levels for John Snow International, United Kingdom
- Evaluated community-based drug demand-reduction programmes covering UNODC, ILO, WHO, FAO, IFAD, UNICRI and US/NIH/NIDA

**Others January 2005- December 2008**

- Evaluated the Red Cross Society national HIV prevention, TB co-infection and AIDS treatment, care and support programme Phase III, 2006-2008, Ethiopia for **Danish Red Cross – RCG**
- Designed and conducted multi-country research on the status and responses of EU Population mobility, HIV & TB vulnerability (Bulgaria, Hungary, Italy, Malta, the Netherlands, Portugal) under Portugal EU presidency for the **Portugal Ministry of Health**
- Feasibility assessment for adopting Farmers' Life School concept along ASEAN Highway Route Number 9 of the potential impact of transport corridor infrastructure development on rural community HIV and health vulnerabilities in Lao PDR and Viet Nam for **Handicap International**

**United Nations Development Programme (UNDP) December 1998- December 2004**

South East Asia HIV and Development Programme, Bangkok, Thailand

Regional Programme Manager and Convenor of the United Nations Regional Task Force on Mobility and HIV Vulnerability Reduction

covering Brunei, Cambodia, China, Indonesia, Lao PDR, Myanmar, Malaysia, Philippines, Singapore, Thailand, Timor L'Este and Viet Nam

- Conducted research and built evidence to support mainstreaming of HIV prevention in Agriculture, Maritime Industry, poverty reduction and rural development, transport infrastructure construction sectors and uniformed services
- Formulated ASEAN regional HIV policy and designed a model contractual clause for transport infrastructure contractors
- Developed the first multi-sectoral national AIDS strategic [plan](#) for Timor L'Este
- As a resource person for the Centre of Excellence, U.S. Department of Defence HIV capacity building project for military personnel in Asia and the Pacific
- Developed a knowledge-base through research on HIV prevention and development in ASEAN region (refer to [www.hivdevelopment.org](http://www.hivdevelopment.org))

**United Nations International Drug Control Programme (now UNODC), December 1993-December 1998**

Technical Services Branch, Demand Reduction Section, Vienna, Austria

Senior Demand Reduction Officer for Africa Continent and Focal Point on Gender and on HIV/AIDS, Nairobi, Kenya

Programme Officer for prevention, treatment, relapse-prevention & social reintegration, Vienna

Acting Chief for Demand Reduction Section, Vienna, Austria

Focal Point on Women (gender in development)

**RESEARCH**

- Developed a mixed quantitative and qualitative research methodology for rapid assessment of country drug abuse situation in diverse cultural context to reach marginalized and hidden-populations
- Developed a checklist for gender-sensitivity of drug demand reduction programmes
- Established a WHO-UNODC joint global drug demand reduction innovative research grant award
- Prepared a UN system-wide position paper on women and drugs

**World Health Organization, Geneva, Switzerland, October 1988-December 1993**

Scientist

**RESEARCH:**

- Conducted 8-country studies on women and drug abuse in Africa, Asia, East and Central Europe for Programme on Substance Abuse, Geneva, Switzerland

- Developed health information system prototype for China, Western Pacific Regional Office, Division of Health Information System (HIS)
- Global Programme on AIDS, Geneva, Switzerland
  - Division of Intervention Development Support, Evaluation Unit
  - Designed management information system for country medium term plan implementation for sub-Saharan African countries, Division of Coordination of National Programmes, Management Strengthening Unit

**Family Health International AIDSCAP**, Arlington, Virginia June 1992-June1993

Epidemiologist, Evaluation Unit; Evaluation Officer, Latin America and Caribbean Regional Office

- Designed indicators to evaluate country programme implementation
- Provision of epidemiologic evidence for designing country programmes and evaluation of impact of previous programmes: Brazil, Dominican Republic, Honduras, Tanzania

**United Nations Office of Vienna**, Centre for Social and Humanitarian Affairs, March 1990-May 1991

Consultant, Division for the Advancement of Women, Vienna, Austria

Conducted research on gender and AIDS and prepared background papers for expert consultation to advocate the gender-dimension of HIV responses

**Baxter Health Data Institute, Inc.**, Lexington, MA, June 1986-October 1988

Senior Scientist

Designed and conducted research on health insurance benefit coverage and utilization of Fortune 100 companies

### **EXPERT GROUP MEMBESHIP**

**Global Fund to fight AIDS, TB and Malaria**, January 2003-2006; January 2017-2021

Technical Review Panel: Resilience and Sustainable Health Systems Strengthening expert

**ILO**, 2017 – 2018

Editorial reviewer, *International Labour Review*

**WHO**, 2010-2015

- TB Scientific Technical Advisory Committee- Review guidelines and 2016-2020 global TB strategy
- Guideline Review Committee - Review and update of the Post-exposure prophylaxis guidelines
- Guideline Review Committee – Review of Injection safety devices for health workers
- Guideline Development Group - Develop TB prevention guidelines for health care workers
- Review of ENGAGE-TB implementation manual
- Key informant: Human resource for health requirements necessary for progress towards Universal Access to AIDS prevention, treatment, care and support
- Development of Guidelines on Health workers’ access to HIV and TB prevention, treatment and care

**International AIDS Society global and regional conference abstract review panel**, 2004 – 2020

Reviewer of scientific and social science tracks abstracts for the every-other-year global AIDS Congress and alternate years’ regional AIDS conference for Asia and Pacific

**AIDS Accountability International**, South Africa and Sweden, 2008-2011

- Development Team for Business accountability scorecard
- Development Team for Sexual diversity scorecard
- Expert Panel for Governance Reporting Index
- Development Team for Gender Reporting Index

#### **Health Systems Action Network (HSAN) 2006-2009**

Co-chair, South-East, North-East, Central Asia & East-Central Europe Region

Founding member: Developed organization bylaw, operation plan, strategy and registered as 501 © non-profit organization. HSAN facilitated voices from developing countries on health systems strengthening to reach key global health initiatives

#### **Editorial Board, 2000-2008**

- Sexual Exchange, Royal Tropical Research Institute, the Netherlands
- Asia and Pacific Global Change Project Proposal
- University of Toronto, Global Environment Governance Series, Ashgate, Global Health and Governance

#### **GAVI Global Health Systems Strengthening Initiative, 2006-2007**

Independent Review Committee member to review country proposals based on poverty, sustainability, innovation and cost-effectiveness criteria and on scientific rigor

#### **HIV in Humanitarian Emergency Task Force, 2007**

The Interagency Advisory Standing Committee for Humanitarian Affairs

#### **National Centre for Atmospheric Research, 2006**

Asia Pacific Network and International Network of Water, Environment and Health of the United Nations University, Hamilton, Canada: Prototype training workshop on climate change, seasonality and environmental hazards, Bangkok, Thailand

#### **United Nations, 2000-2004**

- Regional Task Force on Mobility and HIV Vulnerability Reduction for South East Asia - Convenor
- Regional Task Force on Drugs and HIV Vulnerability, South East Asia, convened by UNODC, member
- Regional Task Force on Youth and HIV, convened by UNICEF, member

#### **Organization of African Unity (OAU), 1998**

Expert Group to develop a common African position on drug control and demand reduction, Kenya

#### **UNDP/World Bank/WHO-TDR, 1994-1997**

Taskforce on Gender Research and Health, Special Programme on Research and Training for Tropical Diseases covering Africa, Asia and Americas

- Reviewer of country tropical diseases and gender research proposals
- Conduct training and provide technical support to promising country research teams on research protocol design, implementation and analysis and strengthen national research capacity and quality
- Build networks of developing country researchers for peer to peer exchange learning

#### **Expert forum on Demand reduction, 1994-1997**

- Arab States & Middle East, United Arab Emirate, organizer
- North Africa Regional Expert Meeting on Demand Reduction, Tunisia, organizer

- Caribbean Regional Expert Forum on Demand Reduction, the Bahamas, organizer
- South and South West Asia regional Expert Meeting on Demand Reduction, India, organizer
- South East Asia and the Pacific Regional Demand Reduction Expert Meeting, Viet Nam, organizer

**WHO and UNDCP, 1995**

First International Expert Consultation on the application of Rapid Assessment Methodology in drug abuse and HIV to prepare a methods guide and training manual, Vienna, Austria, Organizer

**United Nations Division for the Advancement of Women, 1993**

Department of Policy Coordination and Sustainable Development  
 Expert meeting Urban Women: population, nutrition and health related issues (drug abuse and HIV/AIDS)  
 author of population, nutrition, HIV/AIDS and on drug abuse

**Agency for Health Care Policy Research, 1992**

U.S. Public Health Service, Department of Health and Human Services, Atlanta, Georgia  
 Expert Working Group: Assess the feasibility of automated central database for health systems effectiveness research

**National High Commission for Human Reproductive Health and Family Planning, 1992**

Practice Credentialing Expert Panel, Romania Ministry of Health, Bucharest, Romania

**National AIDS Prevention and Control Programme, 1991**

Strategic Planning Meeting for National AIDS Programme Medium Term Plan II, Dar es Salaam, Tanzania  
 Designed the management information system to improve programme efficiency and cost-effectiveness, Tanzania  
 Evaluation of Tanzania AIDS programme implementation for activities funded by USAID

**CARICOM, 1990**

Strategic planning on HIV/AIDS prevention and control for Anglophone, Kingston, Jamaica  
 Jointly sponsored by UNDP, WHO and UN Division for the Advancement of Women

**United Nations Office of Vienna, 1990**

Commission on the Advancement of the Status of Women  
 Expert to recommend evidence-based actions to promote HIV/AIDS/STI prevention and control for women

**CLINICAL PRACTICE**

**Harvard Community Health Plan**, Boston, Massachusetts, USA, 1979-1990, Family Nurse Practitioner

**Yale University** Yale Health Plan, Yale-New Haven Hospital, New Haven, Connecticut, 1977-1979,  
 Family Nurse Practitioner/Commissioned Health Officer  
 U.S. Public Health Service Indian Health Service, New Mexico & Minnesota

**Health Sciences University of Oregon**, University Hospital, Portland, Oregon, 1973-1977, Registered Nurse  
 Emergency Services, Neurology-neurosurgery and ENT

## **LANGUAGES**

|         |   |
|---------|---|
| Chinese | Mother tongue   |
| English | United Nations Language Proficiency certificate, 1994 |
| Spanish | United Nations Language Proficiency certificate, 1997 |
| French  | United Nations Advanced Level                         |

## **OTHER INTERNATIONAL HEALTH EXPERIENCE**

|      |  |
|------|--|
| 1984 | Harvard University Sheldon Knox Travelling Fellow to China: Lecturer on U.S. health system and China health system comparison  |
| 1981 | Harvard University School of Public Health, International Health Office, Haiti rural and urban charity health system           |
| 1980 | Harvard University School of Public Health, Department of Health Services Administration: Mexico Social Security Health System |
| 1972 | Instituto de Profesorado, Sagrado Corazon: Assistant, Argentina Red Cross and Charity health system, Buenos Aires, Argentina   |

## **OTHER AREAS OF STUDY**

|      |  |
|------|--|
| 2015 | International Labour Standards   |
| 2015 | Mainstreaming social dialogue-- tripartism   |
| 2014 | Cardio-pulmonary resuscitation certification, Geneva, Switzerland                        |
| 2014 | Internet security  |
| 2013 | Social Protection, International Training Centre, Turin, Italy                           |
| 2012 | Conflict resolution, Management Skills Development, Geneva, Switzerland                  |
| 2011 | Implementing through people, Human Resource Development course, Geneva                   |
| 2010 | Gender Audit, ILO Geneva, Switzerland  |
| 2010 | English writing for the United Nations, Commonwealth of Learning, Canada                 |
| 2010 | Health systems strengthening, KITS, The Netherlands                                      |
| 2008 | TB-HIV co-infection management, WHO TB collaboration centre, Sondalo, Italy              |
| 2007 | Inspiring confidence, Management skills training, Switzerland                            |
| 2005 | Media communication, McLaughlin, Ottawa, Canada  |
| 2003 | Negotiation for conflict resolution, Harvard University                                  |
| 1986 | Bioethics, Georgetown University, Kennedy Institute of Ethics                            |
| 1985 | Clinical psycho-social care and counselling, Southern Illinois University Medical School |
| 1984 | Occupational Health Epidemiology and Policy, UC Los Angeles School of Public Health      |

## **LICENCE**

|      |  |
|------|--|
| 1980 | Certificate, Primary Health Care Family Nurse Practitioner, American Nurses Association                        |
| 1979 | National Certificate of Primary Care and Surgery, National Board of Medical Examiners for Physician Assistants |
| 1977 | Nursing Registration, American League of Nursing   |
