EXECUTIVE MBA

A community of leaders.
A city of opportunities.
Elevate your career from here.

UNIVERSITY OF SAN FRANCISCO
School of Management
An unpaired location in a world-class city. Our downtown San Francisco campus puts you in the heart of business, innovation, and technology. You'll take classes just steps away from some of the most prominent organizations in their industries, which gives you a chance to engage with world-renowned organizations and expand your professional network.

Experience the best of the Bay Area and around the world with our Academic Global Immersions. Academic Global Immersions enhance your skills as a manager in today’s global business environment. Visit foreign companies and gain a first-hand perspective on their operations and business cultures. Past trips have taken USF students to China, Finland, India, Latin America, Turkey, Russia, Spain, and Dubai.

The Executive MBA experience has been challenging and rewarding. I'm learning new skills, techniques, and methodologies. I'm discovering strengths I never realized I had. I can quickly establish greater credibility with executives at my work. I've been promoted from being an individual contributor to a team leader at the world’s largest health care company.”

–Shภom Yipagi '15, Senior Director, Enterprise Applications

Connect with leaders from every industry. Become a leader in yours.

Students in our Executive MBA program learn how to lead in an ever-changing world. You'll study how to foster creativity and innovation, meet complex business challenges, and master the vocabulary of core business disciplines.

Through a mix of rigorous courses, innovative seminars, and experience-based learning (including a global trip), you will deepen your leadership competencies, refine your business skills, and strengthen your ability to address global business opportunities.

Course topics include:

- Leadership and Teams
- Entrepreneurship and Applied Innovation
- Accounting and Finance
- Ethics and Social Responsibility
- Global Business Conditions
- Strategic Marketing
- Tech Trends
- Data Analytics
- Change Management
- Strategic Management

THE USF EMBA EXPERIENCE

Network. Learn. Grow. We'll take care of the rest. As part of the Executive MBA, you'll receive our program’s signature services. We take care of all your administrative details, offer tailored career coaching and networking opportunities, and connect you with cocurricular activities that fit your interests. You're part of the Executive MBA. Welcome to a program that treats you like a true executive.

USF EMBA students experience career growth while still in the program. In 2017, 89% of EMBA students saw a significant career transition while still earning their degree. Here are just a few examples:

- Controller — Associate Vice President
- Director — Senior Director
- Project manager — Senior Project Manager
- Manager — Vice President

89% of the students who graduated in 2017 experienced a significant positive transition while in the program.

I go to work on Monday and think differently about how I’m managing my team, my time, and how I’m working with others. I get to use the playground of my work environment to test in the real world what I’m learning in school. That was a huge benefit for me.

–Kayleigh O’Keefe '15

Advance in your current company. Become an industry leader. Start your journey as an expert in a new field. Our Executive MBA prepares you with the skills, coursework, and network to advance your career in your current field, or find a new professional direction. You'll be qualified to start your own business, transition to a new role, or transform your career completely. No matter what your professional goals, the USF EMBA will help you reach them.

A transformative experience with a talented cohort. Your classmates represent a range of fields, such as financial services, operations, and business development, providing you with valuable insight across sectors. Our students come from, and go on to, some of the most notable and cutting-edge companies.
